## PROFESSIONAL EXPERIENCE

---

### Statehouse Reporting Intern, St. Louis Public Radio

January 2026 - Present

*Jefferson City, Missouri*

- Cover the Missouri legislature by following bills, attending press conferences and interviewing constituents in the state Capitol
- Produce spot news and written articles on the Senate, House and committees for distribution to public radio states across the state

### Reporter and News Anchor, KBIA 91.3 FM

December 2023 - December 2025

*Columbia, Missouri*

- Reported and produced daily and feature-length stories about local government, health and higher education
- Wrote and read newscasts live on air during local programming sections of NPR's Morning Edition and All Things Considered

### Podcast & Productions Intern, American Chemical Society

May 2025 - August 2025

*Washington, DC*

- Created a 35-minute episode for the award-winning podcast, *Tiny Matters*, from start to finish, including pitching, interviewing, scriptwriting and audio-editing
- Researched experts, conducted interviews, narrated and wrote scripts for science communication content

### Production Intern, POLITICO Europe

May 2024 - August 2024

*Brussels, Belgium*

- Published articles to the CMS, selected photos, wrote captions, copy-edited the weekly print magazine and sent newsletters
- Led the social media desk twice per week, which involved crafting social media graphics and breaking news alerts

### Newsroom Intern, St. Louis Public Radio

January 2022 - May 2022 & May 2023 - August 2023

*St. Louis, Missouri*

- Mastered reporting on deadline, including writing spots for newscasts and corresponding articles for the website
- Gained expertise using editing software and recording equipment for field reporting
